

Benjamin Franklin Institute of Technology (BFIT) is an affordable, urban college serving the Boston region and committed to student success and career readiness in technology fields. Through personalized support, hands-on learning, and industry-informed curricula, BFIT prepares graduates for work, life-long learning, and citizenship.

- The college awards more than \$2 million in scholarships to more than 90% of its student population.
- BFIT has a graduation rate three times that of Massachusetts community colleges.
- BFIT's tuition has not been raised in more than five years.

Anthony Benoit, President

HEADQUARTERS

Boston, Massachusetts

STATS

- Student population is 70% minority students
- Over 90% of graduates are placed in jobs or further higher education
